Program Duration:-6Hrs

Certificate Course on Autism Spectrum Disorders

In a momentous event marked with community engagement, empathy, and a steadfast commitment to healthcare service, the Autonomous Institute of Health Sciences (IHS), Bhubaneswar commemorated World Autism Awareness Day in its premises. This one of its kind event, served as a platform to bring together altruistic individuals and professionals from diverse institutions, and philanthropic foundations to celebrate the remarkable strides made in the field of autism treatment in IHS and to renew the collective pledge towards combating Autism Spectrum Disorder (ASD).

Prof. Satya Mahapatra, the founder Director of IHS who has been tirelessly working in this domain for the last four decades led an engaging myth-busting session, challenging misconceptions surrounding autism and advocating for innovative multi-modal approaches.

Dr Bhabani Shankar Padhy, Principal of IHS, in his welcome address, emphasized the Institute's unwavering dedication to disability rehabilitation and its pivotal role in driving legislative reforms in Odisha over its 26-year legacy. He emphasized the role of IHS, the first disability rehabilitation center in the region dedicated to research-based treatment, offering integrated solutions for individuals with diverse disabilities, including Autism. Dr. Vivek Kumar, Faculty Member, Dept of Audiology and Speech Language Pathology IHS, delivered an informative talk, shedding light on the urgency and complexity associated with autism and ways of promoting functional independence among individuals with autism. The event also featured heartfelt testimonial videos showcasing the transformative journey of patients at IHS, who emerged empowered to lead fulfilling lives post-therapy. Dr. RituParna Mohanty, Faculty, Dept of Physiotherapy, IHS, in her presentation, outlined IHS's cutting-edge research initiatives aimed at developing technological solutions for autism and fostering collaborations with educational institutions and industries.

A special session coordinated by Dr Santosh Mohanty, Member, IHS Advisory board was dedicated to engage with stakeholders and philanthropic foundations underscoring the need of collective efforts in the fight against autism. Esteemed guests, including representatives from Utkal Chamber of Commerce & Industry, Maharshi Women's College, Kamala Nehru Women's College, BJB autonomous college, Ravenshaw University, Marwari yuva manch, Lion's Club International and other organizations, were acknowledged for their invaluable support. The event was anchored by Dr Subhasmita Sahoo, Head, Dept of Audiology and Speech Language Pathology, IHS and coordinated by Ms Nikita Subuddhi, Faculty Member Dept of Audiology and Speech Language Pathology. In her vote of thanks, Ms. Rashmi Prabha Faculty, Dept of Physiotherapy, IHS expressed gratitude to all participants for their unwavering commitment to raising awareness and driving meaningful change in the lives of individuals with Autism.
