INTERNSHIP ACKNOWLEDGEMENT OF RISK AND CONSENT FORM

Understand that there are certain risks associated with internship activity(s) described below; an intern however should always base his/ her **actions on professional ethics** and **not on aburst of emotion**.

- Some Patients may have **self injurious behavior**. They may **harm themselves or you**. You should be prepared to handle these situations **effectively without using force** against the child/client.
- You may have to **work under stressful** conditions as you have to deal with differently abled individuals, this should **not be reflected** in your behavior inside the work premises, **carry yourself as a true professional**.
- The **data privacy** is the right of a patient and should be kept in mind, leaking of **data, photos, videos, etc. on social media** platforms or elsewhere is against the **code of ethics** and will be dealt accordingly.
- **Session report, progress report** and other information are valuable **prognostic** indicators and are to be maintained **regularly**.
- **Damage** to any equipment or therapy material will be **penalized** from your **stipend** and/ or **caution deposit**.
- **Referring** the patient to anywhere **without** the knowledge of the concerned **authority** will be dealt with **strict actions**.
- **Physical/verbal abuse** like beating, screaming, using slangs, high pitch voice (unbearable) is **strictly prohibited**.
- **Mobile Phones** are not allowed during the working hour. It can be used with permission for special purpose.
- You have to be productive during your posting and utilize the time to learn. **Sitting ideal during or after the session** will not be tolerated at all.
- These are **basic rules** of how an intern is supposed to conduct themselves, there may be **additional department specific rules** that you may have to follow during your postings in various departments and centers, it is your duty to **abide by** those rules as well or the **reporting authority** will reserve the rights to the **same actions** as listed below.

Actions to be taken if found guilty:

- **Stipend will be cancelled** for a certain period of time if any of the above **rules are violated**.
- Authority has the option **not to count your internship period** which you have already done based on the **severity of your misconduct**.
- You will be **graded** according to your overall performance and conduct during each posting. The grade will be clearly **mentioned** in your **internship certificate**.
