Date-16.02.2023

Dear Faculty and Students of IHS

We are pleased to announce the formation of the Student Grievance Redressal Committee at the Institute of Health Sciences (IHS). This committee is established to address and resolve any grievances or issues faced by students, ensuring a supportive and harmonious academic environment. This cell will take responsibility

- To provide a forum for students to express their grievance related to all their academic / non- academic matters.
- To investigate complaints thoroughly and impartially.
- Ensuring a prompt consideration and decision thereon.
- Encouraging participative governance where students are free to put forward their suggestions before management and have an open discussion on them.

Student Grievance Committee Members
