Webinar on Trademark, Copyright & Patent

Date: 20/08/2021

Participants: BASLP 5th Semester and all the faculty members of BASLP.

A webinar on “Trademark, Copyright & Patent | IP Laws” was organized by the Department of Audiology & Speech language Pathology on 20th August 2021. Ms. Madhu Mir, law teacher was the resource person. She gave a brief introduction on IPR and explained how to protect creations of the mind such as inventions, works of art and literature, and designs.

Objectives of the Webinar:

- Introduction to Intellectual Property Rights
- Different forms of IPR
- copyright, nature of copyright, subject matter of copyright
- ownership of copyright

Benefits of Intellectual Property rights:

- Provides exclusive rights to creator or innovator
- IPR helps you in enhancing your business market value
- Turn ideas into profit-making assets
- IPR promotes encouragement, growth, and development
- It promotes innovation and creativity and ensures ease of doing business

Workshop on Statistical Analysis

Date: 13/06/2022

Venue: Smart Classroom, Academic Block

Participants: BASLP and BPT 5th Semester and Faculty members.

A workshop on IPR was organized by the Department of Audiology & Speech language Pathology and Physiotherapy on 13th June 2022. Mr. Bishnu Prasad Sahoo (Statistician) was the resource person.

Aim and objective:

The aim of the workshop is to introduce the participants with basic concept of statistical data analysis and descriptive statistics using R and SPSS by experts in a manner accessible to students, faculty and research scholars from rehabilitation background.

This workshop covers:

- **Introduction**
 - Introduction to Statistical Process Thinking
 - Introduction to Minitab
 - Basic Statistics
- **Analyzing Process Performance**
 - Statistical Process Control (SPC) Charts
 - Process Capability Study
- **Analyzing Process Input-Output Relationships**
 - Introduction to Hypothesis Testing
 - 2-Sample t-Test Roadmap
 - Analysis of Variance (ANOVA) Roadmap
 - Correlation - Regression Analysis Roadmap
 - Chi-Square Test.

Workshop on Protocol Writing

Date: 17/08/2022

Venue: Smart Classroom, Academic Block

Participants: BASLP 5th Semester and BPT 6th Semester and Faculty members.

A workshop on IPR was organized by the Department of Audiology & Speech language Pathology and Physiotherapy on 17th August 2022. Mr. Bishnu Prasad Sahoo (Statistician) was the resource person.

Topics Covered:

- Research question.
- Objectives.
- Study design.
- Literature search.
- Sample size calculation.
- Concepts of inferential and descriptive statistics.

He explained Research question, Objectives, study design, literature search, sample size calculation using mobile app, concepts of inferential and descriptive statistics, and appropriate tests with examples followed by group work. End of the day of scientific sessions, each group presented their prepared protocol for which corrections and recommendations were explained by the resource person. The program concluded with distribution of certificates to the participants by the Principal, IHS.
