WEBINAR ON INTELLECTUAL PROPERTY RIGHTS FOCUSING ON ARTIFICIAL INTELLIGENCE AND INTELLECTUAL PROPERTY: OWNERSHIP & LIABILITY

Date: 15/02/2023

Participants: all the staff members and faculties of the Institutes of Health Sciences

A seminar on IPR was organized on 17th February, 2023.

Ms. Sannidhi Mahapatra, IP lawyer, and assistant director, IHS, welcomed the resource person.

Dr. Rashmi Prabha gave a formal introduction to the resource person.

Our designated resource person, **Ms. Aparna Kareer**, IP lawyer, and registered patent agent with Obhan & associates with over 10 years of experience in the field of IP created awareness about patent law specifically focused on Artificial Intelligence and Intellectual Property: Ownership and Liability Issues.

The webinar ended with question- answer session and a vote of thanks by Dr. B. S. Padhy, principal, of HIS.

Objective of the seminar:

- Legal Personhood for AI
- Developer/user liability
- Training data concerns
- Patent challenges
- Ethical considerations

Outcome of the Program:

Overview:

- To help government & legal bodies to develop specific legislation addressing AI- generated IP and assigning clear liability frameworks.
- Instruct developers to maintain transparency about what data is used, including proper attribution to original sources.
- Implementing clear licensing terms to manage the use of training data & AI generated outputs
- The process of patent protection to prioritize ethical considerations like fairness, accountability and transparency when developing AI systems.
