Extension and Outreach activities 2022-23

The college is regularly conducting outreach programs through a dedicated Unit. The students play a key role by actively participating in both screening and intervention camps and also being posted in the model Center. Steady increase in the number of awards received by the institution for these outreach activities are a testimony.

6TH DECEMBER 2022 - CAMP AT CHANDAKA PANCHAYAT OFFICE

The main aim of the camp was to create awareness of physiotherapy , speech and language , hearing problem treatment in preventing and curing many ailments. People went home with a message that medicines may cure most of the problems, but with exercises and speech and language therapy and hearing implants , they will improve their quality of life.
