QUOTES WRITING/ POETRY

Poems

"Disabled Society "

What do you mean by the word disable?
It's just a person not being capable?
Coz He holds crutches and goes on wheel,
Or coz he doesn't matches your feel?

You don't know,
Don't know him nor his powers,
Outer appearance covers the inner empowers,
Still judging and taunts never gets off!

It's a question to everyone-
Who thinks themselves being ABLE they're!
What if you're at same place?
What if getting disheartened by own mates?

You may say it's fictional!
Or denies not wanting to face one?
Imagination failed being considered,
But never missed to stop comparison!

Society's ill thinking is disabled!
Wearing specs with dust of misconception;
Now you may decide who's disable?
The person in front or your soul within?!
