Subject: Declaration of Institute of Health Sciences, Bhubaneswar as a referral hospital for treatment of Government employees.

The Government of Orissa in Women & Child Development Department has made an effort of identifying institutions for clinical intervention and rehabilitation services in communication disorder. There are some organizations who have integrated the process in their existing institutions/hospitals. Now at Bhubaneswar it is The Institute of Health Sciences, who have developed some exclusive facilities for treatment in communication disorder.

The institution has been registered under the provisions of Persons with Disabilities (Equal Opportunities, Protection of Rights And Full Participation) Act, 1995 and has been recommended by Rehabilitation Council of India (RCI) to act as a referral center for Communication Disorder i.e. Speech and Hearing disorders for all age groups, including CP, MR, Autism, ADHD, Neurogenic speech and language disorders etc. to help the disabled persons in Orissa.
