

Extension and Outreach activities 2023-24

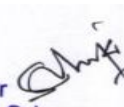

The college is planning and conducting various outreach programs and health camps with a dedicative manner. The students play a crucial role by actively participating in both assessing and intervening in the camps. They also get clinical posting opportunities in some of the nearest clinics and hospitals. The number of awards received by the Institution for these outreach camps are increased day by day.

8th JANUARY 2023: CAMP AT DARUTHENGA

The main motto of the camp was to create awareness among people above the various allied health facilities like physiotherapy, speech & language therapy, hearing treatment.

The main message to people was -" Without taking medicine, a person can be cured just by doing appropriate exercises and physical activities. A disabled person can also live a quality life"
