2.6.3. PROGRAMME SPECIFIC LEARNING OUTCOMES

INTERNSHIP ACKNOWLEDGEMENT OF RISK AND CONSENT FORM

Understand that there are certain risks associated with internship activity(s) described below; an intern however should always base his/ her actions on professional ethics and not on a burst of emotion.

- Some Patients may have self injurious behavior. They may harm themselves or you. You should be prepared to handle these situations effectively without using force against the child/client.
- You may have to work under stressful conditions as you have to deal with differently abled individuals, this should not be reflected in your behavior inside the work premises, carry yourself as a true professional.
- The data privacy is the right of a patient and should be kept in mind, leaking of data, photos, videos, etc. on social media platforms or elsewhere is against the code of ethics and will be dealt accordingly.
- Session report, progress report and other information are valuable prognostic indicators and are to be maintained regularly.
- Damage to any equipment or therapy material will be penalized from your stipend and/ or caution deposit.
- Referring the patient to anywhere without the knowledge of the concerned authority will be dealt with strict actions.
- Physical/verbal abuse like beating, screaming, using slangs, high pitch voice (unbearable) is strictly prohibited.
- Mobile Phones are not allowed during the working hour. It can be used with permission for special purpose.
- You have to be productive during your posting and utilize the time to learn. Sitting ideal during or after the session will not be tolerated at all.
